

# Photographs

Tape a current photo of the child here. Update this photo every six months. Videos are extremely effective in identifying a child.

# Fingerprints

Use a stamp pad to mark fingerprints. If a stamp pad is not available, color fingertips with a dark washable marker and transfer the ink to the paper.

# Hair Sample

Place your child's hair sample here in a tightly sealed zip lock baggy. Include 10 to 20 strands, with the root attached. Use a clean hairbrush to collect.
